**Dana Communications Corporation is seeking to hire a part-time board operator for WQRL and WMCL radio stations.**

**Responsibilities of the position include, but are not limited to;**

- Running the audio console (board) for sporting events and live-on-location broadcasts, connecting the on-air personality with the studio
- Controlling board audio levels during the live broadcast, connecting broadcasters to the studio, starting and stopping commercial breaks on the radio automation system, troubleshooting audio and connection problems

**Hiring requirements:**

- Applicants are required to have moderate computer skills and software experience -
- Applicants must have a valid drivers license, reliable transportation, and a history of punctuality
- Good communications skills are needed to communicate between the studio and the on-air personalities on location, and to communicate with management regarding schedule changes
